CONTRACT FOR SERVICES AND/OR PRODUCTS E-RATE FUNDING YEAR 2009

| Service Provider "Provider" | | School/Library "Applicant" |
|-----------------------------|--------------------------|--------------------------------|
| Company Name: | Peak UpTime | Braggs Public Schools |
| Contact Name: | | Lucky McCrary - Superintendent |
| SPIN: | 143031547 | |
| Address: | 823 S. Detroit Suite 200 | 300 Madden |
| City, State Zip: | Tulsa, OK 74120 | Braggs, OK 74423 |
| Phone: | 918-585-8488 | (918) 4887-5265 |

This contract made and entered into on this 2nd day of January, 2009 by and between Provider and Applicant as specified above.

SERVICES

The Provider agrees to provide to the Applicant the services and/or products as specified in Quote # TFSQ1347 attached.

REGULATIONS

Pursuant to the Schools and Libraries Universal Services Support Mechanism (E-Rate) contained in the Universal Service Provisions of the Telecommunications Act of 1996 [47 U.S.C. § 254, Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Stat. 56 (1996) ("1996 Act")], Applicant advertised for certain telecommunications, internet, and internet connections services. Provider submitted bid to provide same. In accordance with the requirements of the regulations implementing the Act, Applicant considered the bid and determined that it should be accepted. The parties are now ready to enter into a contract for the furnishing of such services and/or products and they set their agreement in writing as follows:

AGREEMENT

For and in consideration of the payment of the sum of money specified herein, together with other good and valuable consideration, Provider does hereby agree to furnish, and Applicant does hereby agree to accept and pay the discounted price for the services bid.

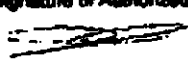

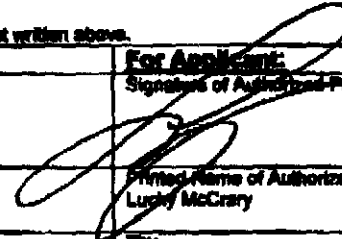

The term of this contract shall commence on July 1, 2009 and shall terminate on (a) June 30, 2010 for recurring services or (b) September 30, 2009 for non-recurring services. The contract expiration date for non-recurring shall be automatically extended to align with SLD authorized extensions due to late funding and changes in products and/or services approved after March 1, 2010.

If the Schools and Libraries Division ("SLD"), Administrator of the Universal Services Support Mechanism, or its successor, should fail to approve all or any part of the services and products covered by this contract, the Applicant shall have the right, at its option, to cancel this contract, as to that part of the services and products disallowed for discount pricing.

If, after approval of discount funding by SLD or its successor, Applicant's governing board should fail to approve all or any part of the services and products covered by this contract, the Applicant shall have the right, at its option, to cancel this contract, as to that part of the services and products disallowed by the governing board. Upon Funding letter Credits will invoice SLD and The customer 20% of the total bid to begin work.

The total costs of the services and/or products shall not exceed \$19,875.00 (Pre-discount amount). In no circumstances shall Applicant be liable for an amount exceeding the Applicant's non-discount share unless Applicant's governing board specifically waives this provision in writing.

Executed and delivered on the day and year first written above.

Peak Maint

Peak UpTime Basic Maintenance is intended for E-rate eligible equipment only. Basic Maintenance is defined by as follows: *"but for the maintenance at issue, the connection would not function and serve its intended purpose with the degree of reliability ordinarily provided in the marketplace to entities receiving such service without E-rate discounts"*(**quoted from eligible services list**). Peak UpTime provides the following services which have been broken down to adhere to the eligible services that include:

- Repair and Upkeep of eligible hardware
- Wire and cable Maintenance
- Configuration changes as needed

Servers:

Updates
Event Log Review and make corrections
Check up time
Hard Drive information
Active directory controls
Problem Resolution
Clean

Backup:

Check Backup Logs
Check Integrity of Backup
Problem Resolution
Clean

Routers:

Check Uptime
Intrusion detection
Clear Cache
Check for and run Updates
Problem Resolution
Clean

Firewall:

Security integrity
Review logs
Check for and run updates
Problem Resolution
Clean

Cabling:

Test cable for integrity
Repair Bad Cable
Clean and maintain patch panel

Fiber:

Check Integrity of cable
Test
Transceivers test
Clean
Problem Resolution

Switches:
Management of switches
Clean
Problem Resolution

Network Cards:
Update Drivers
Reinstall Cards as needed
Problem Resolution

Battery Backups:
Check Uptime
Schedule to drain battery and full charge
Physical Inspection
Problem resolution

PVBX:
Maintain integrity of the system
Keep system operational by installing updates
Problem resolution

Braggs Public Schools E-Rate Year 12:
Basic Maintenance

December 30th, 2008

Overview

This proposal provides options for maintenance of eligible Internal Connections at Chouteau Public Schools through United Systems, Inc. Basic maintenance services are "necessary" if, but for the maintenance at issue, the connection would not function and serve its intended purpose with the degree of reliability ordinarily provided in the marketplace to entities receiving such services without e-rate discounts.

Components of Complete Basic Maintenance from United Systems, Inc.

1. Network Administration
 - a. DNS, DHCP, and E-Mail Servers
 - b. Network Operating System
 - c. E-Mail
 - d. Firewall
 - e. Internet Access
 - f. Associated UPS
2. Network Cabling
 - a. Labor to repair network cabling issues
 - b. UTP and fiber optic cable
3. Switchgear
 - a. Basic maintenance of eligible switches and WLAN components
 - b. Routers
 - c. Associated UPS
4. Exclusions
 - a. All materials including parts and labor to maintain systems not eligible under E-Rate
